

Soft Touch Speedwash Fundraising

Clean up while raising funds for your favourite non-profit organisation, sporting club or school group by applying to become a Soft Touch Speedwash “Club of the Month”.

Simply complete the application form below and bring it into us at Soft Touch Speedwash. We’ll allocate a month for your Club, organisation or group. You will receive information about your month along with a special code. Every time your supporters, members and friends come and wash their car during your month, they’ll key your special code into the keypad and a contribution will be put aside for your club. Then they proceed to enjoy the benefits of a beautiful Soft Touch Speedwash for their car AND you make money at the same time! When your month ends, we’ll send a cheque to your Club or organisation! It’s the easiest fund raising idea ever!

We’ll give you plenty of notice so you can let all your members, supporters and friends know when it will be your special month. Remember to promote your individual “Club of the month” number so they can key it in each time they come through the carwash that month.

Club Name		
Contact Name		
Address of Club Contact (include postcode)		
Telephone Number	Mobile:	Home:
Email Contact		
Brief Summary of Club (what sport, organisation, project are you fundraising for?)		
Address to Send Rebate Cheque (if different from above)
